

Welcome to Sqord, as a member of _____

What is it?!

Sqord is an online world powered by your own real-world play. You earn Activity Points by wearing your Pod and then just moving. Every movement counts. The more you move, the more points you earn, the healthier, happier you will be! AND you will have fun while doing it!

How do I get all my Activity Points online?

Just open the Sqord App (or stand near a SqordBoard) and Tap, Tap, Tap your Pod until it blinks. You'll hear a chime, and you'll see all the points you've earned on the screen. Sync your pod as often as you can- anytime, anywhere. Research has shown the more you sync, the more active you will be!

What can I do with all these Activity Points?

A lot!...when you login to Sqord Online, you can see where you rank each week, earn awards, participate in challenges, communicate with your friends, and customize your online PowerMe character.

And get this... As a member of the _____ team, you'll be participating in Sqord's *Go! Active Play Program*³⁰. This group program was designed inside of schools and youth organizations and allows participants fun ways to connect, compare rankings, and compete in different ways with other team members! Remember, you do not need to be the all star athlete to do well, you just need to move!
